CLERK, U.S. DISTRICT COURT  
RICHMOND, VA

To whom this may concern:

My name is David Wilson, this letter of objection is based on my various past experiences with background checking companies.

I know as well as you do too this settlement is extremely unfair, unreasonable, and definitely inadequate. I feel the course of my life was changed in a negative way due to the neglect and negligents exhibited by USIS and the other defendant companies over and over again.

USIS failed several times to notify me of their furnishing an employment purposed consumer report at the time they were doing so. One instant for example was Driver Solutions which uses USIS. The Recruiter for Driver Solutions was CATRINA - Phone number 1-800-856-0482. I was told only that I was not brought on to the trucking company training by e-mail and the Recruiter. Never was I notified by USIS before, in the process, or after Driver Solution qualifying process.

I have a class "A" CDL driver license, and because of USIS unprofessional ways, They've had adverse effects on me being hired many times.

One other example was the Swift Trucking company hiring process. I've included a cover letter from Swift Trucking and a copy of my class "A" CDL license.

You the Settlement Administrator have the power to right this extreme wrongness, may the Heavenly Father bless you with good judgement.

Truely Thankful  
David Wilson
